

**Texas Council of Women School Executives Annual Summer Conference  
June 20-22, 2008 • Renaissance Austin Hotel, Austin**

## **Corporate Sponsor Invitation**

*Meet and greet with influential education leaders from around the state!*

The TCWSE Annual Summer Conference, held each year immediately prior to the UT/TASA Summer Conference on Education, is designed to encourage more women to prepare for and advance in leadership roles in education in Texas. The content of the conference includes “how-to” topics as well as emerging issues that impact students and the teaching/learning process.

TCWSE has attracted active corporate partners who have chosen to become conference sponsors in order to take advantage of the opportunity to interact with women superintendents and other education leaders in decision-making roles. We invite you to join this advantageous partnership.

TCWSE is a dynamic and influential group of educators, and we are eager to show our appreciation to vendors who support our efforts. As a summer conference sponsor, you will receive recognition for your support based on the level of sponsorship you select. Representatives from your company are encouraged to attend the conference, where they will have numerous opportunities to meet and mingle with conference attendees and other guests. Sponsor representatives are introduced and publicly thanked for their participation at numerous times throughout the conference and are welcome to attend all sessions and functions.

Please assist us in promoting excellence in educational leadership by selecting your level of support for the 2008 TCWSE Summer Conference on the Corporate Sponsor Form. If you have any questions about the conference, please do not hesitate to contact Ann Halstead, TCWSE executive secretary/treasurer, 512-477-6361, or me.
